

饮料机械专业制造商  
Beverage Line Professional Manufacturer

Si Chuan United Industrial Co.,Ltd

### Water filling Line layout Drawing 水线灌装车间布置图

### Flow Chart for Pure Water Production Line 纯净水成套生产设备及工艺

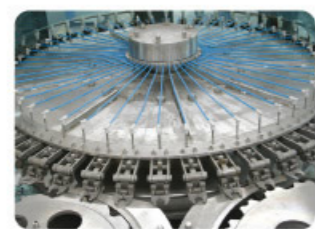

## Washing, Filling, Capping 3-in-1 Unit mono-block for Mineral water and pure, water etc Non-Aerated drink

### 冲洗、灌装、封口三合一(纯净水、矿泉水生产线)

本产品洗、灌、封三合一系列灌装设备是一种高精高速液体灌装设备，产品设计采用卡瓶颈技术，不仅避免了瓶口二次污染，而且实现了同一设备上不同规格瓶形的灌装生产，大大提高了设备的通用性。产量从3000-36000每小时供用户选择，主机采用变频调速电机，生产能力范围内速度调整方便，采用可编程控制器（PLC）控制机器的自动运行，光电检测各部件的运行状况，自动化程度高，操作简便，节少人工而且提高了灌装产量，是饮料生产厂家的理想的首选设备。

Derun washing-filling-capping 3-in-1 machine is a set of equipment with high precision and speed to fill liquid. It adopts bottle-neck block technology, not only avoiding second pollution to the bottle-neck, but also realizing filling different specs of bottles in one equipment, which greatly improved commonality of this equipment. Production capacity is 3000 bottles to 36000 bottles per hour. Main-frame machine adopts frequency controlling electric motor, which is much convenient to adjust speed in scope of production capacity.

#### Technical Parameter 技术参数

型号 Model	冲瓶头数 Washing heads	灌装头数 Filling heads	旋盖头数 Capping heads	生产能力(瓶/小时) Production Capacity(b/h)	主电机功率(kw) Power of main motor(kw)
CXGF16-12-6	16	12	6	3000	2.2
CXGF18-18-6	18	18	6	6000	3.5
CXGF24-24-8	24	24	8	10000	4
CXGF32-32-10	32	32	10	14000	4.8
CXGF40-40-10	40	40	12	18000	5.2

### 冲洗、灌装、封口三合一(纯净水、矿泉水生产线)

三合一高速灌装机是专门为大型饮料生产厂家设计的，该机最大产量每小时可达36000瓶。独特的灌装阀设计，可精确控制灌装液位。卫生级的循环管路精确保证了产品灌装时的回流需要，灌装机完整的CIP回流管路保证清洗效果，采用触摸屏，操作简单方便。

CXGF-80-80-20 3-in-1 high speed filling machine, is specially suitable for large-scale beverage production. The machine's maximum output can be up to 36000bottles per hour. The unique filling valve can precisely control filling liquid level. Circulation loop, which is according to the Food sanitation standard, Precisely guarantees demand of circumfluence while filling beverage. Entire CIP circumfluence pipe makes asure rinsing. This machine adopts touch screen, which makes operation of machine easy and convenient.
